

Theme: New Life/Easter/Fairy Tales

March/April 2023

Shape: Oval

Colour: Yellow

Our theme for March and up until Easter will be New Life/Easter. During this time, we will be learning about the colour yellow, the oval shape, baby animals being born at this time of the year, seasonal changes, life cycles and showing care and respect to creatures. We will read lots of stories connected to our topic and sing the songs detailed on the song sheet included with this newsletter.

We will also focus on a particular Fairy Tale each week until Easter as part of our celebration of World Book Month. We will complete various activities connected to Fairy Tales and read these throughout the month.

Dress Up Day:

On Friday 31st March, children are invited to come to Nursery dressed as their favourite book character as part of our World Book Month celebrations!

Life Cycle:

We will soon be hearing the pitter patter of lots of tiny little feet in Nursery when our little caterpillars arrive! The children will be able to observe the caterpillars, watch them eat and sleep and grow, and eventually form their cocoon and emerge as beautiful butterflies. We will continue to feed our butterflies and then release them when they are ready. A very exciting time ahead for our boys and girls!

Nursery Closures:

Nursery will be closed on Friday 17th March for St Patrick's Day. Nursery will finish on Wednesday 5th April at 11am to begin the Easter holidays and will reopen on Monday 17th April for our third term!

Nursery Fund:

On Monday 17th April we will be increasing the weekly contribution from £3 per week to £5 per week. We appreciate your continued support.

Book Packs:

Please ensure that book packs are returned on a Friday to allow them to be organised for distribution on Monday morning. Book packs returned during the week will not be replaced until the following Monday.

If you have any queries about the information on the newsletter, please speak to a member of staff who will help you.
